CULTURAL HONG KONG

「藝 • 文」展區通過短片、模型及虛擬實境體驗，展示西九文化區等前瞻性項目，介紹這些項目如何將藝術放在我們未來的重要位置，為生活帶來精彩無窮的感官體驗。

(有關西九文化區詳情，請瀏覽網頁 <http://www.westkowloon.hk>)

The 'Cultural Hong Kong' exhibition zone, with videos, physical models as well as visual reality corner, illustrates how forward-looking projects like the West Kowloon Cultural District(WKCD) are putting art at the heart of our future and serving as a repository for the experiences that make life an endlessly rich tapestry of the senses.
