

City Gallery Summer Planning School 2019

“Be a Town Planner”

‘Little Planners Group’ Programme and Guidelines

Aims / Objectives

The programme is designed to provide our students with a better understanding of town planning and various aspects of the town planning process in Hong Kong. The objective of the programme is to arouse students' interest in town planning and the future development of Hong Kong with an aim to nurture a new generation of young planners.

Details

The Summer Planning School curriculum include a general introduction on town planning will comprise of lectures, field studies and workshops led by professional town planners or from related fields. All participants who have successfully completed the programme will receive a Certificate of Completion and will be invited to attend the Graduation Ceremony. As part of the experience sharing, all students' works completed in the workshops will be exhibited at City Gallery and City Gallery website. Guidelines

1. Participating school shall allocate at least one teacher to be responsible for the 10 participating students throughout the programme at City Gallery and field study.
2. Participating school shall arrange their own transportation to and from school to City Gallery and the location of the field study.
3. If the participant(s) is/are not able to attend any of the activities of the programme, he/she has to inform the responsible teacher(s) in accordance with procedures of the participating school(s) for taking leave.
4. To obtain the Certificate of Completion, participants **must attend the workshop and field study**, and with attendance rate of 75% or above of other curriculum. Participants with unexcused absences will be disqualified.
5. Tutors/group leaders will arrange rest for about 10 to 15 minutes during the programme where appropriate. Participants with special request shall reflect to tutors/group leaders for arrangement.
6. Inclement weather arrangements:
 - If Red Rainstorm Warning Signal/Black Rainstorm Warning Signal/Tropical Cyclone Warning Signal No. 8 or higher is still in force at 08:00 or Education Bureau announces that classes are suspended, the programme on the same day will be cancelled. The programme will be postponed.
 - If the above Warning Signal(s) is in force during the transportation time to City Gallery or the venue of the field study, participants and their parents should decide whether they wish to continue to travel to City Gallery or stay in another safe place. The programme on the same day will be cancelled and postponed.
 - If the above Rainstorm Warning Signal(s) is in force during the programme (except the field study), the programme on the same day will carry on. If the above Rainstorm Warning Signal(s) is still in force after the programme, participants should stay in City Gallery.
 - If the Hong Kong Observatory announces the pre-warning for Tropical Cyclone Warning Signal No. 8 or higher during the programme (except the field study), the remaining programme on the same day will be cancelled. Participants shall return home or go to a safe place as soon as possible.
 - If the above Warning Signal(s) is in force during the field study, tutors and gallery staff will send participants to a safe place, the field study may be continued or cancelled depends on the weather condition.
