海濱速寫工作坊

維港是香港人的瑰寶，更是香港最地標性的風景。由摩天高樓組成的天際線，青山環抱，湛藍海港，還有頻繁穿梭其中的船隻等等，構成了一幅壯闊美麗的圖畫。

本次活動與香港建築中心合作，由建築師及插畫家教導大家速寫維港風景的技巧，萬勿錯過！

With skyline composed of skyscrapers, the green hills, the azure harbour, and the ships frequently passing through it, Victoria Harbour is the treasure of Hong Kong people and the most iconic scenery in Hong Kong.

In collaboration with the Hong Kong Architecture Centre, this workshop will be taught by architects and illustrators on harbourfront sketching skills. Don't miss it!
