

展城館自今年年初推出多個「城市印象」專題展覽及工作坊，旨在突顯我們城市的迷人魅力，得到各方的熱烈支持。規劃署及展城館將於夏季期間，舉辦一系列以「城市印象@你我社區」為主題的活動，藉此提高公眾對社區的關注，活動包括工作坊、攝影比賽及專題展覽，將於本年年底前陸續推出。

After the prologue 'City Impression' series of exhibitions and workshops at the beginning of this year, City Gallery received an overwhelming support from the public. The series aims to focus on charms and spirits of our territory. In order to arouse awareness of our neighbourhood, Planning Department and City Gallery is launching a series of activities on 'City Impression@Your Neighbourhood' which includes workshops, photographic competition and thematic exhibition. The series of activities will last until end of 2013.
