展開巨廈工作坊

Workshop on
Opening The Tower

為配合「城市印象—展開巨廈」專題展覽，我們將會為青少年舉辦三節工作坊，讓參加者利用 LEGO 樂高積木建立個人的巨廈，一嚐成為建築師的滋味。工作坊費用全免。由曾經參與之前工作坊的義工帶領，讓青少年了解建立巨廈的設計原則。

To complement the Thematic Exhibition on “City Impression - Opening The Tower”, we are organising three workshop sessions for teenagers to experience life as an architect building your own tower from LEGO bricks. The workshops are free of charge. Led by previous workshop participants, the workshop allows the participants to understand the design principles of building up a tower.
